

We are excited to inform you that the deadline for abstracts submission at the **European Aerosol Conference 2025** has been postponed until **3 March 2025**! After this date only submissions for “late posters” will be accepted.

This year, this important event will be held in Lecce (Italy) from **31 August to 05 September 2025**. EAC2025 will bring together scientists from all areas of aerosol science and cover a range of topics related to atmospheric and indoor aerosols, aerosol health effects, technology and instrumentation, and basic aerosol processes. A number of exciting special sessions are also welcoming submissions.

The detailed topics and special sessions can be found at <https://eac2025.iasaerosol.it/topics/> and <https://eac2025.iasaerosol.it/special-sessions/>.

EAC2025 is organized under the auspices of the European Aerosol Association, with the Italian Aerosol Society (IAS) hosting the conference in collaboration with the Institute of Atmospheric Sciences and Climate (ISAC-CNR) of the National Research Council and the University of Salento. You can find all the essential information, abstract submission guidelines, and latest news on <https://eac2025.iasaerosol.it/>. Don't hesitate to contact us if you have any questions at eac2025@iasaerosol.it.

Instructions for abstract submission:

- Prepare your one-page abstract using the available templates at <https://eac2025.iasaerosol.it/abstract-submission/>.
- Associate up to three conference topics or special sessions with the work, while keeping in mind that only the first one will be used for reviewing purposes.
- Submit your abstract (in pdf format) by **3 March 2025** at <https://eac2025.iasaerosol.it/abstract-submission/>.
- During submission, indicate your preference for Oral or Poster presentation or indicate No Preference.

Please note that the week of EAC2025 is a busy period in Lecce for touristic reasons so try to book your accommodation as soon as possible. You can find our suggestions and options at <https://eac2025.iasaerosol.it/accomodation/>

The EAC2025 organising committee is looking forward to your contributions!

On behalf of the EAC2025 local organising committee,

Daniele Contini
President of IAS
